Product Specification Sheet

Notebook Cooling Chill Mat

Part #: AWE11CA

Product Description:

The Targus Notebook Chill Mat™ is a cooling mat for notebook PCs with two built-in fans for fast heat dissipation. The Chill Mat™ weighs only 32 oz and has non-skid rubber domes to prevent any slippage of the notebook. Powered by the notebook's USB port, the AWE11CA also comes with a convenient on/off switch.

Product Features and Specifications:

- Protection from heat: Keeps notebook heat away from laps and work surfaces
- Two cooling fans: Two fans help maximize notebook performance and help prevent overheating by providing cool air to the notebook
- AC Adapter is not required
- USB powered: Chill Mat plugs directly into your notebook's USB port
